

The 31st of August is a Pastoral Induction Day and P2 – P7 mainstream children are to attend as follows: Surnames beginning A to McC – 9.00 to 10.30

Surnames beginning McD to Z – 11.30 to 1.00

The tables below outline our morning and hometime routines beginning 1st September.

We must remind everyone that we will continue to stagger coming to school in the morning and ask that parents do not all come at 8.45 (please give consideration to those who need to travel on to work). If this does not happen then we will have to consider set times for arrival.

If you have children who have two different time slots within a Hometime (eg Hometime 1 - 1.45 and 2.00) then we recommend that you arrive 5 minutes after the first time (eg 1.45) so that the two pick up times are close together. It will be vital that parents arrive and leave promptly so that spaces for parking become available quickly. Handover will be safer and we will hopefully avoid children, staff and parents having to stand for too long outside if the weather is poor.

I have included P1 and LSC/ASC hometimes for when these groups begin to attend for a full day – in the meantime specific transition arrangements still apply to these groups and this information has been communicated to you.
